State of New Hampshire

To the Inhabitants of the Town of Hinsdale qualified to vote in town affairs

You are hereby notified to meet at the Town Hall, on Tuesday, the eighth day of March, 1927, at nine of the clock in the forenoon, to act on the following subjects:

Article 1. To choose a Town Clerk for the ensuing year.

Article 2. To see if the town will vote to accept and adopt the report of the Selectmen, Auditors and other town officers.

Article 3. To choose a member of the Board of Selectmen for the ensuing three years.

Article 4. To choose two member of the Board of Library Trustees, one for one year, and one for the ensuing three years.

Article 5. To bring in your votes for Representative to the General Court to fill the vacancy caused by reason of the death of the town's late Representative, Chas H. H. Langille.

Article 6. To choose all other necessary town officers and agents for the ensuing year.

Article 7. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for the support of the poor, for the maintenance of the fire department, for the lighting of streets, and for all other necessary expenses arising within the town.

Article 8. To see if the town will vote to raise and appropriate the sum of twenty-seven hundred and thirty-five dollars (\$2735) for state aid maintenance, and nine hundred and fifty dollars (\$950) for trunk line maintenance, or act thereon.

Article 9. To see if the town will vote to accept state aid construction and raise and appropriate money for same, or act in any manner thereon.

Article 10. To see if the town will vote to raise and appropriate the sum of one thousand dollars (\$1000) for repairing the Chesterfield Road, or act in any manner thereon.

Article 11. To see if the town will vote to raise and appropriate the sum of one thousand dollars (\$1000) for repairing the Plain Road, or act in any manner thereon.

Article 12. To see if the town will vote to raise and appropriate a sufficient sum of money to oil Chesterfield Road to point reached last year; High Street, whole length; and Cottage Street to point to be determined, or act thereon.

Article 13. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400) for continuing the work for eradication of the White Pine Blister Rust, or act thereon.

Article 14. To see if the town will vote the free use of the Town Hall for Chautauqua purposes for the present year of 1927, or act in any manner thereon.

Article 15. To see if the town will vote to raise and appropriate a sufficient sum of money to build a newsidewalk from the so called Barnes Manor to the Congregat onal Church, and a sidewalk in front of the Post Office, on the Post Office side of the street, or act in any manner thereon.

Article 16. To see if the town will vote to raise and appropriate the sum five of hundred dollars [\$500] to repair and improve the highway leading from the Isaiah Streeter place, so called, to the Chesterfield town line, or act in any manner thereon.

Article 17 To see if the town will vote to place and maintain a street light at the corner of Spring Street and Highland Avenue, or act thereon.

Article 18. To see if the town will vote to place and maintain a street light at the further end of Depot Street, at the intersection of roads near the Lynch house so called, or act thereon.

Article 19. To see if the town will vote to raise and appropriate the sum of eighty-eight

dollars [\$88] to pay for window broken in the store of William LaChance, or act in any manner thereon.

Article 20. To see what action the town will take in regard to permitting the use of the Town Hall for playing Basket Ball, or act in any manner thereon.

Article 21. To see what action the town will take in regard to fixing the road leading to the Dodge and Leach places, made unsafe by the State Road, or act thereon.

Article 22. To transact any other business that may legally come before said meeting.

Given under our hands and seal, in said Hinsdale, this twenty-first day of February, 1927.

MAUDE E. TAYLOR,

Town Auditors.

RED CROSS NURSING REPORT

Report of the Chairman of the Nursing Committee.

The nursing service has been greatly benefited by the use of the car lately purchased by our town.

Five bags were filled as our quota at Christmas time and sent to Washington for soldiers who are convalescing in hospitals.

Miss Ina Marden of Short Falls was here through the month of July as substitute nurse.

Delegates were sent to Concord, September 21, to attend the Regional Conference.

Miss Ruth Langille, R. N., who had been our nurse for three years sent in her resignation October 8 to take effect November 8. Mrs. Hazel Currier, a local nurse, has been substituting since. A new Red Cross nurse is expected this week.

Postals were sent out December 7, urging all members of the Hinsdale Branch of the A. R. C. to be present at the annual business meeting. The Board regretted greatly that only four outside of the committee were present.

At the November meeting Mrs. W. S. Kimball offered a free stall in her garage for the Red Cross car. A note of thanks was extended Mrs. Kimball.

Respectfully submitted,

EVA N. Fay,

Chairman of the Nursing Committee.

LIBRARY REPORT

The following is the report of the Hinsdale Public Library and Reading Room for the fiscal year ending January 31, 1927:

Hours open per week	21
Total circulation for year	21,948
Adult fiction	10,554
Adult non-fiction	1,135
Juvenile fiction	4,196
Juvenile non-fiction	4,387
Magazines	1,676
Largest monthly circulation, March	2,390
Smallest monthly circulation, June	1,556
Average daily	72
Per cent of fiction (Adult 48, Juvenile 19)	67
Volumes purchased	372
Reading room attendance	6,172
Average	20

It is with regret we notice the per cent of fiction has increased slightly since last year. There are so many fine non-fiction books in the library, it seems a pity they are not more often read.

On December 14, 1926, Miss Hilda Sawyer, who has been our efficient librarian for the past few years, resigned to accept a position in the Osterhout Free Library, Wilkes-Barre, Pa., terminating her services December 28, 1926.

The vacancy was filled by Mrs. Luella M. C. Streeter, who studied library work at Fitchburg State Normal School, of which she is a graduate.

The usual course of Vacation Reading for the children was held during the summer, and those completing it received books as prizes.

Books are being rearranged upon the shelves and the readers are asked to return all books to their proper places, thereby aiding the librarian in giving better service. A book is of no use if not in the right place, and it is impossible to have it there without the co-operation of the readers.

It has been suggested that the committee and librarian arrange for a children's hour for those children under Junior High School age. Many times in the evening because of so many young children being present, adults are unable to find chairs, much less the quiet that should prevail in a reading room. Having a time set apart for children, special attention could be given to their needs, and the older readers would be better able to use the library.

A desire has been expressed for some new Polish books and a good Polish magazine. The matter is being studied by the librarian with an object in view to obtain this material.

As shown by the Treasurer's report, printed elsewhere, the balance on hand as of February 1st, 1927, amounted to \$996.20, consisting of Liberty Bonds \$300.00 (par

value) and interest \$7.84, Amidon Trust Fund \$460.37, Petty Cash \$78.65, balance from Town Appropriation \$149.34.

There are approximately \$100.00 of unpaid bills.

Respectfully submitted,
MABEL E. TEMPLE,
Chairman,
R. B. WHITE,
CHARLES E. KENYON,
Board of Library Trustees.
LUELLA M. C. STREETER,
Librarian.

WARRANT

State of New Hampshire

To the Inhabitants of the School District of the town of Hinsdale, Qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on Saturday, the 12th day of March, 1927, at three o'clock in the afternoon to act on the following subjects:

Article 1. To choose a moderator for the ensuing year.

Article 2. To choose a clerk for the ensuing year.

Article 3. To choose a treasurer for the ensuing year.

Article 4. To choose a member of the Board of Education for the ensuing three years.

Article 5. To hear the reports of agents, auditors, or other officers chosen, and pass any vote in relation thereto.

Article 6. To see if the District will vote to make any alterations in the report of the School Board recommending the amount of money required for the support of schools and the payment of statutory obligations.

Article 7. To see what action the District will take in regards to the report of the committee appointed at the annual meeting in March, 1926, to investigate the needs of a new school building to properly house the graded pupils and to raise and appropriate a sufficient sum of money to carry out the suggestions of the Investigating Committee or act in any manner thereon. N.B. The report is printed in the town report.

Article 8. To transact any other business that may legally come before said meeting.

Given under our hands and seal, in said Hinsdale this eighteenth day of February, A.D. 1927.

L. JEANETTE DAVIS,
JESSE W. FIELD,
M. D. WHITE,
Board of Education.

A true copy of warrant. Attest:

L. JEANETTE DAVIS,
JESSE W. FIELD,
M. D. WHITE,
Board of Education.

REPORT OF SCHOOL BUILDINGS INVESTIGATING COMMITTEE

The committee appointed at the annual School Meeting in March, 1926, for the purpose of investigating the Depot Street and High School Buildings, submit the following report of their findings.

DEPOT STREET SCHOOL BUILDING

Grade 1

In this room there were forty-two pupils, three extra seats, and room to add several more seats without congestion.

Grade 2

This, also is a large room. We found thirty-one pupils, eleven extra seats, with plenty of room for more seats when required.

Grade 4

This grade is now in a very small room. There were thirty-nine pupils, with one extra seat. The seats in this room are very close together, making it difficult for teacher and pupils to move about the room. The entrance to this room is through Grade Five. This, we believe, is a condition which should be corrected. The ventilation of this room, as well as Grade Five room, is a serious problem, at the present time. The only means of ventilating these rooms is by the windows, or outside doors, and with pupils sitting directly under the windows, and near the doors, this is almost impossible.

Grade 5

Conditions in this room are very similar to Grade Four, and without doubt, something should be done to correct, and better the conditions of both Grade 4 and this room.

A few years ago, a partition was erected in the large room, which now holds Grades Four and Five, for the purpose of dividing these grades. Without this partition, this would be a very large, well lighted room, which could be ventilated easily.

Grade 6

This is a large room. In this grade we found forty pupils and five extra seats, with room for more seats when needed.

HIGH SCHOOL BUILDING

Grade 3

At the time of our first visit to this building, Grade Three was in one of the larger rooms in the building, we found only twenty-eight pupils enrolled with plenty of extra seats. However, at the opening of the schools in September, Grade Three was moved into the room formerly used for Grade Seven, with the result that Grade Three is now badly crowded for room.

Grade 7

Enrollment twenty-five, and there were eight extra seats.

Grade 8

In this grade the enrollment was twenty-three, and there were five extra seats.

High School

At the time of our first visit, there were forty-two pupils enrolled in the High School. We were told that the present High School facilities would accommodate at least one hundred pupils.

Conditions, as we have given them above were found at the time of our first visit to the buildings early last June. We made a second visit in January of this year, and with the exception of the change in location of Grades Three and Seven, there were no changes of importance.

We would suggest the following changes in our School Buildings. Remove the partition between Grades Four and Five in the Depot Street Building, thus making four large rooms for Grades One, Two, Three and Four. Also, the High School Building would be greatly improved by the removal of a partition which now separates Grades Three and Eight.

All rooms in both buildings are poorly ventilated, and we would suggest that immediate attention be given to the purchase and installation of adequate ventilating systems.

We were informed that during a recent fire-drill, the pupils in the Depot Street School left the building, in one minute, and at the High School in one and one-third minutes. Both buildings are equipped with front and back exits.

The suggestions which we have made, would of course, cause two grades to be without rooms. To provide for this shortage of room, we would suggest a two-room addition to one of the buildings.

HAROLD S. GARFIELD,
CLARENCE B. O'NEAL,
PRENTISS W. TAYLOR,

SCHOOL REPORT

The Board of Education of the School District of Hinsdale submit their Annual Report for the year beginning July 1st, 1925, and ending June 30th, 1926, covering the financial affairs of the district.

HEADMASTER'S REPORT

To the School Board and Citizens of the Town of Hinsdale:

At the present time this year we have an enrollment of fifty pupils in our Senior High School. There has been some mortality since the opening of the school year as we have lost six pupils, two boys and four girls. They have left our school for the following reasons: Change of residence, two; to join the navy, one; illness, one; dissatisfaction with curricula elections, two. Four of these pupils were sophomores and two were freshmen.

We have started athletics for both the boys and the girls, and there is a noticeable increase of interest in school affairs which is making itself felt both in the class room and outside of the school which is favorable as a symptom. We have endeavored to develop an interest in dramatics and will produce the amateur comedy "Daddy" as a part of the Senior Fair.

The Commercial Curricula is making a fine showing and under the leadership of Miss Ruth Glines bids fair to become one of the most popular of those we offer.

Scholastically the standing of the pupils is very good and we are striving to eliminate the causes for pupil failures and to encourage all who possibly can to graduate and continue their work in institutions of higher education. The population of the schools of this town would seem to warrant a larger attendance in the Senior High School and we are endeavoring to make our school attractive and worth-while for those that are there and to draw fuller classes up from the grades. Surely the

demands of the modern world, and in this day of competitive education must bring the necessity of something more than a common school education home to every parent and we should be ready to serve this demand.

Our attendance average is only fair, as we have had some sickness amongst the pupils this year. With the concentration of our school population so near the school it seems only possible to reduce our tardiness to an extremely low minimum. We earnestly solicit the co-operation of every parent in this respect.

We are greatly indebted to the people of Hinsdale for the support they have rendered to us this year as they have enabled us to bring into actuality the ideas we wished to try the first of the year. Especially are we indebted to the American Legion, Mr. Ralph White and to F. J. Young & Son whose assistance has enabled us to have a basketball team for the first time.

The co-operation of the School Board and the leadership of our Superintendent has been greatly appreciated and we hope to amply repay them for their efforts in helping us.

Respectfully submitted,

CLEON B. JOHNSON.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Hinsdale:

I beg leave to submit, herewith, my second annual report.

BUILDINGS AND GROUNDS. The buildings are all in a good state of repair. During the summer vacation the Monument building was altered so that light is now admitted only on two sides. Similar alterations should be made at the Plains during the coming summer. I would also advise the installation of a standard heating and ventilating system at the Monument School. The Budget recommended by the School Board contemplates these changes. At the High School, part of the manual training room was let into the commercial room, thus providing for increased enrollment in the newly organized course offered in this department.

The grounds are in good shape but it seems a strange paradox that at the Plains where there are nine pupils there is a larger playground than at the Bridge Street School where there are approximately two hundred children.

I am still convinced that Hinsdale should have a new elementary school building. I feel quite sure that your children should enjoy as good educational advantages as the most progressive towns in our State provide for their children. "WHAT THE BEST AND WISEST PARENT WANTS FOR HIS OWN CHILD, THAT MUST A COMMUNITY WANT FOR ALL ITS CHILDREN."

HEALTH. I hope you will study the results of the physical examinations. Some improvement has been made since last year, but such easily remedial defects as teeth, tonsils and adenoids should be removed. One of the best ways I know of to improve the educational standard is to improve, as much as possible, the physical condition of the stock we have to work on. There are still 20 unvaccinated children in the schools. Beginning September 1927 children unvaccinated without proper excuse will have to be excluded until vaccinated.

TEACHERS AND PUPILS. Fortunately no changes were necessary in the teaching staff in the Elementary Schools. But at the High School a complete new staff with but one exception was required. I hope it will not be necessary again to change so large a number in a single year. The High School curricula were completely reorganized at the beginning of the year. The two most important changes were the introduction of a commercial course in the hands of a thoroughly trained commercial teacher, Miss Ruth Glines, and the addition of another male teacher, in the person of Mr. Edmund Mulcahy. Miss Winifred MacDougall replaced Miss Baldwin as teacher of Home Economics and Miss Dorothea Bliss replaced Miss Stockwell as teacher of Latin and French, while Mr. C. B. Johnson was called from Littleton, Mass., to become the head of the school.

In concluding this report, I wish again to express my personal appreciation to the School Board, teachers and pupils, parents and patrons for the loyal support and co-operation manifest on every hand, in this, the greatest of all work, the education of Hinsdale's children.

Respectfully submitted,

WESLEY H. DOUGLASS,

Superintendent of Schools.

ing to the best of my knowledge and belief.

EDALBERT J. TEMPLE,

Town Clerk.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system (1) has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied. This condition is also necessary for the existence of a solution of the system (1) for arbitrary values of the parameters α and β .

2. In the second part of the paper the problem of the existence of a solution of the system (1) for arbitrary values of the parameters α and β is solved. It is shown that the system (1) has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied. This condition is also necessary for the existence of a solution of the system (1) for arbitrary values of the parameters α and β .

3. In the third part of the paper the problem of the existence of a solution of the system (1) for arbitrary values of the parameters α and β is solved. It is shown that the system (1) has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied. This condition is also necessary for the existence of a solution of the system (1) for arbitrary values of the parameters α and β .

4. In the fourth part of the paper the problem of the existence of a solution of the system (1) for arbitrary values of the parameters α and β is solved. It is shown that the system (1) has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied. This condition is also necessary for the existence of a solution of the system (1) for arbitrary values of the parameters α and β .

5. In the fifth part of the paper the problem of the existence of a solution of the system (1) for arbitrary values of the parameters α and β is solved. It is shown that the system (1) has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied. This condition is also necessary for the existence of a solution of the system (1) for arbitrary values of the parameters α and β .
